**Thank you** for making the decision to audition for another season of the Linea Percussion Ensemble! We have assembled this audition packet to try to make the audition process as straight forward as possible as well as to address important information. This packet will give you a very clear idea of what you need to do to prepare for your audition.

You will want to be as prepared as possible throughout the audition process; the staff at Linea wants to get an understanding of your true abilities. If you are unprepared and nervous, you will more than likely be hiding some of your potential!

This year, the first round of auditions will be held with Vision Percussion. After this joint audition, one of three things will happen:

- 1) We will offer you a membership contract
- 2) We will invite you to our next camp on 10/24/2021
- 3) We will thank you for joining us for the experience and invite you to audition again next year

Depending on the role you are auditioning for, you might need to provide some of your own equipment i.e. drumsticks, drum pad, marching cymbals (outlined in the music audition guidelines). It is expected that those who are auditioning be dressed in athletic clothes and athletic shoes and that printed music be stored in a binder with page protectors or equivalent. Showing up prepared is the best thing you can do to set yourself up for success.

**Congratulations on taking the first step! We look forward to seeing you at auditions!**

## FAQ's

### **1. When will I receive my audition results?**

While we wish we could provide everyone with quality instruction and performance opportunities, not everyone who auditions will go on to become a cast member. If you are offered a membership position, you will typically know your status by the end of auditions. Likewise, if you invited to audition again next year, you will also likely know your status by the end of auditions. Those who are invited to attend the first full-cast camp will know their status by the end of the auditions or through email to be sent out after auditions.

### **2. Can I audition for more than one section?**

Yes, you can audition for more than one section. However, we encourage all auditionees to be well prepared on their primary choice. If the staff would like to try you out in a different section, we will make that decision.

### **3. What is the time commitment?**

Linea Percussion Ensemble is a performing group that competes in WGI and WGAZ sanctioned events. The average season for indoor percussion ensembles is typically around 7 months with auditions starting around October and ending with championships around April. Full weekend rehearsals (Friday-Sunday) will start in December with Saturday mini-camps in November.

### **4. Can I be part of Linea and my school's indoor group in the same season?**

Short answer: Yes. As long as there is written consent from your director you can perform in both groups. However, due to the extensive time commitment and potential conflict with performances, we recommend you choose one or the other.

### **5. What is the member fee?**

Our member fee is an affordable **\$550** with. For more information, please visit our website.

## **6. Is there any financial assistance opportunities?**

Yes, there will be more information available to you if you are offered a membership. If you foresee any financial hardship, we still want you to audition! It is better to worry about getting a spot first. We will help you go through different options after that.

## **7. Why should I audition?**

Linea Arts is committed to providing the highest quality instruction and education to everyone who auditions regardless of age and experience. We believe the audition experience, along your interactions with other performers as well as the staff, will have a positive impact on you as a performer moving forward.

## **8. How old do you have to be to participate?**

While the age limit for WGI and WGAZ is 22 years old, the majority of cast members are high school aged students (13-18) with prior musical performance experience. Due to the COVID-19 pandemic, members up to 24 can march the 2022 season to compensate for missed performance opportunities.

## **9. If I have questions, who do I contact?**

If you have any questions that went unanswered at auditions, or are not covered on the website, please check out [www.lineaarts.org](http://www.lineaarts.org) or at [info@lineaarts.org](mailto:info@lineaarts.org). We will typically reply back within 48 hours.

**Good luck and thank you for your interest in LINEA!**
